

CITY OF HARRINGTON CITIZEN OF THE YEAR AWARD CRITERIA

This award will be presented annually to an individual whose volunteerism and outstanding service and dedication have made a significant contribution to the greater Harrington community. The Harrington City Council will select a 'Citizen of the Year' based upon the following criteria:

- A person who continually volunteers his or her time, dedication and talents to the City and its citizens to make Harrington a great place to live, work, play and learn.
- A person who has made a positive difference to the lives of fellow citizens through service on school, church, and/or community based organizations.
- A person who has shown a willingness to work with our Harrington residents, who is enthusiastic about the City and its citizens, and who works continually toward the betterment of the community.
- A person who demonstrates and embodies honesty and integrity in their service.

In choosing the recipient, regard will be given to the nominee's achievements from August 2020 to 2021, in addition to their past achievements and ongoing contributions to the community. To be eligible, the person must reside within the 19952 zip code, while their community service should take place predominately within the City of Harrington. Only individuals may be nominated, not groups or organizations. Self-nominations will not be considered. The number of nominations received per nominee will bear no weight in the selection for Citizen of the Year. The community service outlined in the application must be made as a personal commitment, and not substantially as a result of their primary employment or public responsibilities.
